**MEMORANDUM OPINION**

This is an attempted appeal from an order denying defendants' motion to dismiss plaintiff's original petition, signed October 17, 2001. Appellant's notice of appeal was timely filed November 6, 2001.

Appellate courts may review only final and appealable judgments or interlocutory orders specifically made appealable by statute. *Lehmann v. Har-Con Corp.*, 39 S.W.3d 191, 195 (Tex. 2001); *Northeast Indep. School Dist. v. Aldridge*, 400 S.W.2d 893, 895 (Tex. 1966). The October 17, 2001, order of the trial court denying appellant's motion to dismiss is neither final for purposes of appeal nor is it an appealable interlocutory order. This order

does not dispose of all parties and claims in the case and there is no statute authorizing the parties to appeal this type of order.

On December 21, 2001, notification was transmitted to all parties of the Court's intent to dismiss the appeal for want of jurisdiction. *See* TEX. R. APP. P. 42.3(a). Appellant's response fails to demonstrate that this Court has jurisdiction to entertain the appeal.

Accordingly, the appeal is ordered dismissed.

PER CURIAM

Judgment rendered and Opinion filed January 17, 2002.

Panel consists of Justices Anderson, Hudson, and Frost.
