**OPINION**

Appellant was convicted of the offense of evading arrest and was sentenced to 120 days in the Harris County Jail. Appellant is not represented by counsel in this appeal. On August 24, 2000, this court issued an order, directing the trial court to hold a hearing to determine why appellant had not made arrangements to pay for the reporter's record. During the hearing, appellant advised the trial judge of his desire to withdraw his appeal. The trial court forwarded a record of the hearing and written findings of fact, indicating that appellant wished to dismiss his appeal. At this hearing, appellant signed a motion to withdraw and dismiss his notice of appeal. Because this Court has not delivered an opinion, we grant appellant's request.

Accordingly, we order the appeal dismissed. We direct the Clerk of the Court to issue the mandate of the Court immediately.
