**OPINION**

After a bench trial, appellant was convicted of the offense of resisting arrest. As punishment, the trial court assessed a fine of \$300.00 plus court costs on March 18, 1998.

On November 10, 1999, this court ordered a hearing to determine why appellant's counsel had not filed a brief in this appeal. On December 3, 1999, the trial court conducted the hearing. The record of the hearing was filed in this court on December 13, 1999.

The trial court found appellant no longer desires to prosecute her appeal.

On the basis of those findings, this court has considered the appeal without briefs. *See* TEX. R. APP. P. 38.8(b). We find no fundamental error.

Accordingly, the judgment of the trial court is affirmed.
