

Notes about Data for Statutory County Courts for FY 2018

In 2018, 89 of the state's 254 counties had at least one county court at law in operation. There was also one court that served 3 counties. Assuming one report for each county for each month, 1,096 reports were possible.

At the time of publication, there was a 100 percent reporting rate for the fiscal year. However, 1 county had one section of the report missing for the entire year.

County	Office	Section	Months Missing
Ector	District Clerk	Family	September - August
