

COVID-19 Operating Plan for the COURTS OF LIMESTONE County, TEXAS

Recognizing the need to ensure the health and safety of litigants, attorneys, visitors, court staff, judges, and other individuals entering the buildings housing, the **Courts of Limestone County** will implement the following protective measures:

General

1. All judges will comply with the Emergency Orders issued by the Supreme Court of Texas and Court of Criminal Appeals, including conducting in-person proceedings according to the guidance issued by the Office of Court Administration regarding social distancing, maximum group size, and other restrictions and precautions.
2. All judges will use all reasonable efforts to conduct proceedings remotely.
3. The local administrative district judge will maintain regular communication with the local health authority and county judge and adjust this operating plan as necessary with conditions within the county.
4. Judges will begin setting non-essential in-person proceedings no sooner than June 1, 2020

Judge and Court Staff Health

1. Judges and court staff who can perform the essential functions of their job remotely will telework when possible.
2. Judges shall discuss with Court Staff the need for self-monitoring and reporting of any COVID-19 symptoms. Judges and Court Staff will comply with the health requirements set out in this Plan. Adequate measures have been put in place to protect the income and positions of Court Staff who may need to be quarantined or work remotely.
3. Judges or court staff who feel feverish or have measured temperatures equal to or greater than 99.6°F, or with new or worsening signs or symptoms of COVID-19 such as cough, shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, loss of taste or smell, diarrhea, or having known close contact with a person who is confirmed to have COVID-19 will not be permitted to enter the building and should seek medical advice.
4. During in-person hearings or dockets, Judges and Court Staff will be required to practice social distancing, and practice appropriate hygiene recommendations. It is recommended that Judges and staff wear face coverings. Face coverings may be removed in areas protected by appropriate shielding or as necessary to communicate. While in chambers and staff work areas common to the court's chambers, masks or face coverings are optional when social distancing occurs, but must be made available to those who wish to use them.
5. Courts may keep office doors closed to the public and others, if the Judge believes it is necessary to protect the court staff and/or to prevent the spread of COVID-19 virus.

Court Scheduling

1. Courts holding trials, hearings, and other judicial functions which are located in a building separate from other courtrooms shall establish individual court schedules in keeping with this Plan and the instructions emanating from the Office of Court Administration and the Supreme Court of Texas and the Texas Court of Criminal Appeals.
2. Magistration schedules for conducting inmate magistration at the Limestone County Jail shall not be affected by this Plan. Magistrates shall otherwise maintain social distancing and hygienic procedures during magistration duties.
3. Courtroom schedules currently employed by the District Courts, County Court and Commissioners Court shall remain in place as they are adequate to ensure separation of individuals and reduce populations within the Limestone County courthouses.
4. If the courtrooms available to the Justice of Peace courts are not adequate to comply with social distancing and the COVID-19 Operating Plan, the Justice of Peace may schedule use of the District or County Courtroom(s) on a day no District Court, County Court or ancillary court proceeding is occurring.

Vulnerable Populations

1. Individuals who are over age 65 and individuals with serious underlying health conditions, such as high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune systems are compromised such as by chemotherapy for cancer or other conditions requiring such therapy are considered to be vulnerable populations.
2. Each judge will include information on orders setting hearings, dockets, notices, and in other communications notifying individuals who are in vulnerable populations of the ability to contact the court to identify themselves as a vulnerable individual and receive accommodations. A notice with this information will be posted on the courts' websites and in conspicuous locations around the court building (a copy of which is attached).
3. Attorneys and unrepresented parties shall provide the notice to vulnerable populations to any participants they plan to have attend the proceeding.
