All judges will comply with the Emergency Orders issued by the Supreme Court of Texas and Court of Criminal Appeals, including conducting in-person proceedings according to the guidance issued by the Office of Court Administration regarding social distancing, maximum group size, and other restrictions and precautions.
2. All judges will use all reasonable efforts to conduct proceedings remotely.
3. The local administrative district judge will maintain regular communication with the local health authority and county judge and adjust this operating plan as necessary with conditions in the county.
4. Judges will begin setting non-essential in-person proceedings no sooner than June 1, 2020

## **Judge and Court Staff Health**

1. Judges and court staff who can perform the essential functions of their job remotely will telework when possible.

1. Individuals who are over age 65 and individuals with serious underlying health conditions, such as high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune systems are compromised such as by chemotherapy for cancer or other conditions requiring such therapy are considered to be vulnerable populations.

2. Each judge will include information on orders setting hearings, dockets notices, and in other communications notifying individuals who are in vulnerable populations of the ability to contact the court to identify themselves as a vulnerable individual and receive accommodations. A notice with this information will be posted on the courts' websites, county website if available, county Facebook page if available and on the courtroom door.
3. Vulnerable populations who are scheduled for court will be accommodated by allowing for hearings to be rescheduled if needed, specially set hearings to allow for minimum contact with others and allow remote hearings/hybrid hearings as available.

Individuals who indicate yes to any of these questions will be refused admittance to the courtroom.
