

**COVID-19 OPERATING PLAN FOR CONDUCTING JURY TRIALS
FOR WALKER COUNTY, TEXAS**

In order to balance the need to protect the health and safety of prospective and selected jurors, litigants, attorneys, visitors, court staff, judges, and other individuals that may participate in jury proceedings with the necessity that parties and members of the public are able to exercise their fundamental right to a jury trial, the following measures are hereby implemented for the courts of Walker County and shall supplement the measures previously implemented in the COVID-19 Operating Plan for Walker County, which remains in full force and effect:

General

1. In addition to the measures previously implemented in the COVID-19 Operating Plan for the Walker County, which remains in full force and effect, District Judges and County Court at Law Judge may conduct in-person jury proceedings as may be permitted by the Supreme Court of Texas and/or the Texas Court of Criminal Appeals, pursuant to this COVID-19 Operating Plan for Conducting Jury Trials for Walker County ("Operating Plan for Conducting Jury Trials").
2. All judges (including District Judges, County Court at Law Judges and Justices of the Peace) are permitted to conduct virtual jury proceedings as long as permitted by order of the Supreme Court of Texas and/or the Texas Court of Criminal Appeals, as applicable. However, in criminal trials involving potential incarceration, virtual jury proceedings shall only occur with appropriate waivers and consent from the Defendant and Prosecutor made on the record. In any other virtual jury proceeding, consent is not required.
3. Any judge wishing to conduct a jury proceeding is required to obtain advance approval for each such trial from the Local Administrative District Judge and the Presiding Judge for the Second Administrative Judicial Region. A request to conduct a jury proceeding for a given week must be submitted no later than 5:00pm on the 34th day prior to the Monday of the week requested.
4. A judge who obtains approval for an in-person jury proceeding should schedule no more than ten (10) cases for that jury trial setting unless pre-approval for larger dockets is obtained from the Presiding Judge for the Second Administrative Judicial Region.
5. Judges should attempt to alert attorneys and/or parties who will not be proceeding prior to the day of trial to reduce attendance at the court facility.
6. The Local Administrative District Judge is required to consult with the local health authority not more than five (5) days prior to each such approved jury proceeding to verify that local health conditions and plan precautions are appropriate for such trial to proceed.
7. Each judge shall consider any motion or objection related to proceeding with a jury trial on the record at least seven (7) days prior to the trial. If any such motion or objection is made less than seven (7) days prior to the trial, the judge shall consider same on the record as soon as practicable.

8. Each judge shall establish communication protocols with the applicable attorneys, parties and/or sheriff prior to a jury proceeding to ensure that no participants (attorneys, parties, witnesses, etc.) have tested positive for COVID-19 within the last thirty (30) days, have symptoms of COVID-19, or have been recently exposed to COVID-19.

9. Any judge wishing to conduct a virtual jury trial is required to ensure that all prospective jurors have access to technology with which to participate.

Procedures for the Summoning of Jurors

1. All prospective jurors will receive a letter with their summons that provides information about this Operating Plan for Conducting Jury Trials, and advises prospective jurors that they may claim exemptions or disqualification prior to their report for jury service.

2. Excuses from in-person prospective jurors who have been potentially exposed, who are symptomatic and/or who are vulnerable or live with someone vulnerable to COVID-19 should be liberally granted.

Guidance on Appropriate Locations for Jury Proceedings

1. Each jury selection shall take place in a location large enough to allow for appropriate social distancing between each prospective juror. The Local Administrative Judge will assign such location for each trial.

2. The following locations have been determined to have sufficient space to be used for in-person jury proceedings:

District Court and County Court at Law:

- b. Trial: District Courtroom Room 301, Walker County Courthouse
- c. Jury Deliberation: District Courtroom Room 305, Walker County Courthouse

4. Another courtroom in the immediate vicinity of the location of any jury proceeding shall be available for the socially distanced assembly of jurors.

Screening

1. When a prospective juror attempts to enter a court building or the location where jury selection will take place, he/she will be instructed to disclose to county personnel if he/she is feeling feverish; has a cough, shortness of breath, or difficulty breathing; or has been in close contact with a person who is confirmed to have COVID-19. Individuals making such a disclosure will be refused admittance to the court building or the location where jury selection will take place, and will be directed to contact the applicable court regarding his/her situation.
2. When a prospective juror attempts to enter the court building or the location where jury selection will take place, county personnel will determine the temperature of the individual. Individuals whose temperature equals or exceeds 100.0 will be refused admittance to the court building or the location where jury selection will take place, and will be directed to contact the applicable court regarding his/her situation.

2. Shared spaces such as witness stands, seating in the gallery, and seating during qualification/voir dire will be sanitized during transitions of those spaces.

Dear Prospective Juror:

You have been summoned to appear for jury service. I want to assure you that your wellbeing is extremely important. In anticipation of this trial, I have reached out to the County Health Authority to confirm that the courts are taking all reasonable precautions regarding the health and safety of all participants.

Everyone entering any courthouse building will be screened and will also be required to wear a face covering. Additionally, appropriate social distancing will be required during jury selection and in the courtroom. Immediately following check-in, prospective jurors will be seated. This will help avoid jurors congregating and promote social distancing throughout the selection process. Jurors are encouraged to bring bottled water. If you are unable to serve due to an underlying condition, sickness or matter related to COVID-19 or if you have a pre-existing obligation that cannot be rescheduled, please immediately contact the office on the Pre-Screening Questionnaire.

The right to trial by jury is a cornerstone of our democracy, and jury trials necessarily involve sacrifice from those citizens called upon to serve. This has always been true, but it is especially true during these unique and trying times. It is my personal conviction that jury service is the second highest form of public service that any American can perform (second only to service in the Armed Forces). The right to trial by jury has been in our Constitution since 1791, and it was one of the stated principles in the Declaration of Independence. As such, you are requested to give serious consideration before seeking to be excused based upon a non-statutory qualification or exemption.

I want you to know that the courts of this county are mindful of these challenging times and have taken every reasonable precaution to protect your health, as well as that of the parties, lawyers and staff during this upcoming trial. I hope this letter is helpful and I thank you in advance for your participation.

Sincerely,

Donald L. Kraemer

Local Administrative District Judge
