

# **COVID-19 Operating Plan for Bangs Municipal Court**

Recognizing the need to ensure the health and safety of litigants, attorneys, visitors, court staff, judges, and other individuals entering the buildings housing the courts, Bangs Municipal Court will implement the following protective measures:

## **General**

1. All judges will comply with the Emergency Orders issued by the Supreme Court of Texas and Court of Criminal Appeals, including conducting in-person proceedings according to the guidance issued by the Office of Court Administration regarding social distancing, maximum group size, and other restrictions and precautions.
2. All judges will use all reasonable efforts to conduct proceedings remotely.
3. The Municipal Judge will maintain regular communication with the local health authority and mayor, and will adjust this operating plan as necessary with conditions in the city.
4. The Municipal Judge will begin setting non-essential in-person proceedings no sooner than August 4, 2020

## **Judge and Court Staff Health**

1. Judge and court staff who can perform the essential functions of their job remotely will telework when possible.
2. Judge and Court Staff Monitoring Requirements: Judge and staff will self-monitor and report concerns or symptoms as appropriate.
3. Judge or court staff who feel feverish or have measured temperatures equal to or greater than 99.6°F, or with new or worsening signs or symptoms of COVID-19 such as cough, shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, loss of taste or smell, diarrhea, or having known close contact with a person who is confirmed to have COVID-19 will not be permitted to enter the building and should seek medical advice.
4. Judge and court staff may wear face coverings for hearings and will practice social distancing and practice appropriate hygiene recommendations at all time.
5. Protective Measures: Staff working the service window will be separated from the public with a plexi-glass shield. Staff are provided with hand sanitizer, sanitizing wipes for work stations, gloves and masks.

## **Scheduling**

1. The following court schedules are established to reduce occupancy in the court building: Bangs Municipal Court meets once per month for a single, two-hour session. The number of hearings will be scheduled so that social distancing can be maintained in the courtroom at all times. Defendants will not be allowed to bring other guests with them to a hearing. Juvenile defendants shall only be accompanied by one parent/guardian and no other guests including siblings.

## Vulnerable Populations

1. Individuals who are over age 65 and individuals with serious underlying health conditions, such as high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune systems are compromised such as by chemotherapy for cancer or other conditions requiring such therapy are considered to be vulnerable populations.
2. Each judge will include information on orders setting hearings, dockets notices, and in other communications notifying individuals who are in vulnerable populations of the ability to contact the court to identify themselves as a vulnerable individual and receive accommodations. A notice with this information will be posted on the courts' website and in conspicuous locations around the court building. *"COVID-19 NOTICE: Please contact the court to make other arrangements for a hearing if you are over age 65 or have serious underlying health conditions, such as high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune systems are compromised such as by chemotherapy for cancer or other conditions requiring such therapy."*
3. Vulnerable populations who are scheduled for court will be accommodated by scheduling a phone conference with the judge, prosecutor and clerk.

When individuals attempt to enter the court building, an employee will ask the individuals if they are feeling feverish; have a cough, shortness of breath, or difficulty breathing; or have been in close contact with a person who is confirmed to have COVID-19. Individuals who indicate yes to any of these questions will be refused admittance to the court building.

2. Cleaning staff are also periodically wiping down frequently touched surfaces such as doors and countertops throughout each day.
3. Court building cleaning staff have been provided cleaning supplies shown to be effective with this coronavirus.
4. Court building cleaning staff have been trained on proper cleaning techniques and provided appropriate personal protective equipment.
