

**COVID-19 Operating Plan  
City of Nash Municipal Court  
Bowie County, Texas**

Recognizing the need to ensure the health and safety of litigants, attorneys, visitors, court staff, judges, and other individuals entering the buildings or using the courts, the **Nash Municipal Court at the City of Nash, Bowie County** will implement the following protective measures:

**General**

1. All judges presiding over the Nash Court will comply with the Emergency Orders issued by the Supreme Court of Texas and Court of Criminal Appeals, including conducting in-person proceedings according to the guidance issued by the Office of Court Administration regarding social distancing, maximum group size, and other restrictions and precautions, as deemed appropriate by the Presiding Judge of the Court.
2. All judges will use all reasonable efforts to conduct proceedings remotely or within the proscribed social distancing recommendations of the National, State and Local Health authorities.
3. The local administrative municipal judge will maintain regular communication with the local health authority and county judge and adjust this operating plan as necessary with conditions in the Bowie County and the City of Nash.
4. Judges may begin setting non-essential in-person proceedings after June 1, 2020 at the direction of the Judge of the Nash court.

**Judge and Court Staff Health**

1. Judges and court staff who can perform the essential functions of their job remotely will telework when possible.

5. Protective Measures: All non-court room contact will be via tele-communications.

### **Scheduling**

The court will evaluate and coordinate its schedules on an ongoing basis to minimize the number of in-person hearings being conducted at the same time in the same courthouse.

### **Vulnerable Populations**

1. Individuals who are over age 65 and individuals with serious underlying health conditions, such as high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune systems are compromised such as by chemotherapy for cancer or other conditions requiring such therapy are considered to be vulnerable populations.
2. Each judge will include information on orders setting hearings, dockets notices, and any other communications notifying individuals who are in vulnerable populations of their ability to contact the court to identify themselves as a vulnerable individual and receive accommodations. A notice with this information will be posted on the courts' websites and in conspicuous locations around the court building.
3. Vulnerable populations who are scheduled for court will be accommodated by permitting teleconferencing during hearings or limiting the number of in-person individuals during hearings.

### **Social Distancing**

1. All persons not from the same household who are permitted in the court building will be required to maintain adequate social distancing of at least 6 feet.
2. Each restroom has been evaluated to determine the appropriate capacity to ensure social distancing and the maximum capacity has been posted on each restroom door.

### *Gallery*

4. The maximum number of persons permitted in the gallery of each courtroom has been determined and posted. The maximum capacity of the courtroom will be monitored and enforced by court staff.

5. The gallery of the courtroom will be marked to identify appropriate social distancing in the seating. Seating is limited to every other row when and if more than two people are allowed in the gallery.
6. In each courtroom, the counsel tables, witness stand, judge's bench, and clerk, court reporter, and bailiff seating have been arranged in such a way so that there is social distancing of at least 6 feet between each space.

### **Hygiene**

1. Hand sanitizer dispensers will be made available for public use in or near each courtroom.
2. Tissues have been placed near the door of the courtroom, at counsel tables, at the witness stand, on the judges' benches, and in the hallways, as necessary, for each space being utilized by the courts.
3. The Department of State Health Services' "Stop the Spread of Germs Flyer" has been posted in multiple locations around the various courtrooms and court spaces.

### **Screening**

1. When individuals attempt to enter the courtroom, the Courthouse Security/Bailiff will ask the individuals if they are feeling feverish; have a cough, shortness of breath, or difficulty breathing; or have been in close contact with a person who is confirmed to have COVID-19. Individuals who indicate yes to any of these questions will be refused admittance to the courtroom.
2. When individuals attempt to enter the courtroom, Courthouse Security/Bailiff will use an infrared thermometer to determine the temperature of the individual. Individuals whose temperature equals or exceeds 100.4°F will be refused admittance to the courtrooms.
