Old Financial Process

Case Fees → County → State Fees → State

eFileTexas

Conv. Fees → Tyler

New Financial Process (with SB41)

Filer → eFileTexas

County Fees → County

State Fees → State

Conv. Fees → Tyler

SB41 provides efficient way to collect & disburse funds to recipients

Old	New (SB41)
All fees collected by county disbursed to state monthly	All fees disbursed to county and state daily

Requires splitting money 6x per transaction vs. 2x per transaction resulting in additional convenience (interchange) fees

SB41 standardized the pricing model for document purchases across the state, regardless of solution leveraged

New pricing model became effective on January 1, 2022 and was implemented in re:Search for consistency

*Clerks would have made $285,647.70 more in 2021 with new SB41 model

*Values depict re:Search only
