IMPORTANCE OF REPORTING

The monthly report is designed to collect statistics on court activity that can be used by the judicial, legislative, and executive branches of government to analyze judicial needs related to jurisdiction and structure. The monthly report is not designed to record 100% of the courts' responsibilities and may not provide the full picture of what courts do. Instead, it provides a snapshot based on specific data points required to be collected by the OCA through legislative or judicial administrative action.

LEGAL REQUIREMENTS

Section 71.035(b) of the Texas Government Code requires each judge, clerk, or other court official to report information pertaining to the civil and criminal business transacted by the municipal court(s) as required by the Texas Judicial Council.

Sections 171.1 and 171.2 of the Texas Administrative Code require submission of court activity reports each month to the Texas Judicial Council by **no later than 20 days after the end of the month for which statistics are reported.**

Electronic Reporting

All courts are required to submit the report online unless the court has requested and obtained a waiver for good cause. (See Section 171.8 of the Texas Administrative Code.) Waivers are good for 1 year but may be renewed.

Reports may be entered electronically by 1 of 2 methods:

- a) manually entering the reports into the Court Activity Reporting and Directory System (<http://card.txcourts.gov>), OR
- b) uploading an XML file into the system.

Courts that have obtained an electronic reporting waiver may continue mailing, faxing, or emailing the report to OCA for data entry.

Paper Reporting

Courts that have obtained an electronic reporting waiver may continue mailing, faxing, or emailing the report to OCA for data entry. The Official Municipal Court Monthly Report form is to be used to report the activity of the municipal court during each 1-month period. **NOTE:** Reports generated from a case management system should be an **exact replica** of the monthly report form—*i.e., all categories should follow the order on the monthly report, no categories should be added or omitted, and no data should appear in areas that are shaded on the form.*

On the front page, please complete the appropriate blanks identifying the **month** and **year** for the data being reported; the name of your court; the names of the presiding judge and court clerk; the court's mailing address, fax number, email address, and website address (if available); and the name of the person that prepared the report, as well as his or her telephone number. (If appropriate, please provide a second phone number where that person can be reached during business hours.)

GENERAL INSTRUCTIONS

You must submit a report each month, even if your court had no activity.

To file a “No Activity” report:

- If you are reporting online, log in to the online reporting system and select Add New Monthly Report. Select the month and year for which you are filing a report. For each relevant section of the report (criminal, civil, juvenile/minor, and other), check the “No Activity” box near the top of the page, and fill in the Prepared By line at the bottom of the page.
- If you are reporting on paper, you may indicate that you had no activity by writing a large zero, “X,” or “No Activity” across the statistical part of the form.

Include only that activity that occurred during the month for which you are submitting a report. If you need to make changes to the information for a previous month, you must edit your online report (if you report online) or file an amended report (if you report on paper).

CRIMINAL SECTION

Municipal Class C Misdemeanors

This section is divided into six case categories: violations of state traffic laws, violations of state parking laws, violations of city ordinances involving traffic or parking, Penal Code violations, violations of other state laws, and other city ordinance violations.

The number of criminal cases is based on the number of individual violations charged.

If the same defendant has been charged for more than 1 violation, each violation shall be counted. For instance, if a person received a citation with 4 violations charged, count this as 4 cases.

TRAFFIC MISDEMEANORS

Cases relating to motor vehicle operation or ownership for which the maximum punishment does not involve confinement in jail or prison (i.e., class C misdemeanors).

Non-Parking. Cases involving violations of the provisions of Title 7, Transportation Code and related statutes that do not involve parking (e.g., speeding, passing a school bus, driving without a valid inspection sticker, driving with an expired or no driver's license). **NOTE:** Do not include *Violations of Promise to Appear* here.

Parking. Cases involving violations of Sections 545.301 through 545.304, Chapter 681 or Chapter 683, Transportation Code and related statutes concerning the improper stopping, standing, or parking of a vehicle (e.g., parking in an intersection, parking within 15 feet of a fire hydrant, parking where an official sign prohibits parking). **NOTE:** Report civil violations of parking or stopping ordinances in the Civil Section of the report.

City Ordinance. Cases involving violations of traffic or parking-related ordinances enacted by municipalities that are not already covered by state statute.

NON-TRAFFIC MISDEMEANORS

Cases not involving traffic or parking violations for which the maximum punishment does not involve confinement in jail or prison (i.e., class C misdemeanors).

Penal Code. Cases involving laws enacted by the Texas Legislature that are set out in the Penal Code (e.g., disorderly conduct, public intoxication, theft of property valued at less than \$100). **NOTE:** Include *Failure to Appear* (Sec. 38.10, Penal Code) cases here.

Other State Law. Cases involving laws enacted by the Texas Legislature that are set out in statutes other than the Penal Code (e.g., Alcoholic Beverage Code, Education Code, Health and Safety Code, Human Resources Code, Occupations Code, Water Code, etc.). **NOTE:** Include *Violation of Promise to Appear* cases here.

City Ordinance. Cases involving ordinances enacted by municipalities (e.g., building codes, zoning laws, dog ordinances). Ordinance violations involving litter, fire safety, zoning, public health, and sanitation are punishable by fines only, up to a maximum of \$2,000. Punishment for violation of other types of city ordinances is limited to fines only, not to exceed \$500, that are not already covered by state statute.

NOTES:

In this section, report only those cases over which the court exercises jurisdiction:

- **Including** all criminal juvenile/minor cases and parent contributing to nonattendance cases, which are also reported in the Juvenile/Minor Activity Section.
- **Excluding:** matters handled by the judge as a magistrate (e.g., emergency protective orders, administration of warnings to adults or juveniles, search warrants, arrest warrants, property hearings), unless the court has jurisdiction over the case and the case is filed in the court. If the court does **not** have jurisdiction, report any relevant activity in the **Additional Court Activity** (magistrate duties) section.

Line 1. CASES PENDING FIRST OF MONTH (*Sum of Lines 1a and 1b.*)

Report all misdemeanor cases previously filed in which a **judgment had not been entered** at the beginning of the month.

These figures should be the same as those reported for **Cases Pending End of Month** (Lines 12a and 12b) on the prior month's report. **If the number of cases pending at the first of the month does not equal the number of cases pending at the end of the previous month, a docket adjustment must be entered.** A *docket adjustment* is the difference between the number of cases pending at the end of the previous month and the number of cases pending at the beginning of the current month.

Example:

If the number of cases pending at the end of the month is **smaller** than the number pending at the beginning of the current month, enter a **positive** number in the appropriate blank. For example, if 825 parking cases were pending at the end of April but 830 were pending as of May 1, "5" ($825 + 5 = 830$) should be entered in the docket adjustment line under Parking in the report for May.

If the number of cases pending at the end of the month is **larger** than the number pending at the beginning of the current month, enter a **negative** number in the appropriate blank. For example, if 900 Penal Code cases were pending at the end of April but 890 were pending as of May 1, "-10" ($900 - 10 = 890$) should be entered in the docket adjustment line under Penal Code in the report for May.

Note: OCA staff will calculate and enter the docket adjustment(s) for reports submitted on paper.

Line 1a. Active Cases

Report the number of cases in which a **judgment had not been entered** that were active at the beginning of the month.

"Active cases" are cases awaiting entry of a judgment that the court can move to adjudication (entry of a judgment).

Line 1b. Inactive Cases

Report the number of cases in which a **judgment had not been entered** at the beginning of the month that had been classified as inactive (cases in which further court proceedings/activities could not continue).

(See Line 11—Placed on Inactive Status for definition of an inactive case.)

Line 2. NEW CASES FILED DURING MONTH

Report the number of **new, original criminal violations filed** for each case category. Include all new cases filed this month, even if a judgment was entered in the case this month.

Line 3. CASES REACTIVATED

Report the number of cases **in which a judgment had not been entered** that had previously been placed in an inactive pending status, but for which further court proceedings can now be resumed so that a judgment may be entered in the case, including:

- Cases in which the defendant was apprehended
 - and posted bond to appear at court or
 - was arraigned and magistered;
- Cases in which the warrant was returned unexecuted, but the case is being reactivated for dismissal due to the statute of limitations expiring or because the defendant is deceased;
- Cases that had been reported to the OmniBase (Texas Department of Public Safety) program, to the Scofflaw program (Texas Department of Motor Vehicles), to the Nonresident Violator Compact Program, or to a collections agency for failure to appear:
 - That were reactivated because the defendant appeared and the case was set for an appearance or trial,
 - That were reactivated because the defendant submitted a guilty or nolo plea to the court, whether or not the fine was paid; and
 - That were reactivated because the defendant submitted a payment or other amount without a plea being entered (see definition in Line 6—Uncontested Dispositions);
 - That were reactivated because the case was dismissed.

NOTES:

- *Reactivated cases are reported under the same offense reported when the original case was filed.*
- *Reactivated cases are reported even if a judgment was also entered in the case during the month.*
- *An inactive case **MUST** be reactivated before it can be counted as disposed.*

Line 4. ALL OTHER CASES ADDED

Report the number of cases added to the docket in a manner other than the filing of a new, original case. Include cases in which:

- a motion for new trial is granted in a case that had previously been reported as disposed of;
- an appeal, including cases remanded for final satisfaction of judgment and sentence; and
- other similar matters which are not reported elsewhere.

Line 5. TOTAL CASES ON DOCKET

The sum of active cases pending at the beginning of the month; new cases filed; cases reactivated; and all other cases added equals **Total Cases on Docket**.

$$\text{Lines 1a} + 2 + 3 + 4 = 5$$

FINAL DISPOSITIONS:

A disposition is reported when the case is adjudicated (the judge signs the final judgment or a sentence is otherwise imposed). The date of disposition is the date the final judgment/order was signed.

Report only 1 disposition per case.

Line 6. DISPOSITIONS PRIOR TO COURT APPEARANCE OR TRIAL

A. Uncontested Dispositions

Report the number of cases in which a **guilty or nolo contendere plea was entered without a plea being entered in open court. The case is reported when judgment is entered, whether or not the fine and other obligations of the case have been met.**

Include:

- Cases in which the defendant submitted a guilty or nolo contendere plea without appearing before a judge in open court; and
- Payment of a fine or other amount accepted by the court without a plea being entered. Per Code of Criminal Procedure, Art. 27.14(c):

In a misdemeanor case for which the maximum possible punishment is by fine only, payment of a fine or an amount accepted by the court constitutes a finding of guilty in open court as though a plea of nolo contendere had been entered by the defendant and constitutes a waiver of a jury trial in writing.

Include payments submitted by mail, by electronic means, or in person. This includes cases in which full payment is made, a partial payment is made, or a payment plan is arranged.

B. Cases Dismissed by Prosecution

Report the number of cases that were dismissed pursuant to a motion by a prosecutor (or dismissed by the court without a motion from the prosecutor) before the defendant's court appearance or trial or without the defendant appearing in court. CIVIL/ADMINISTRATIVE SECTION

A civil case, unlike a criminal case, does not depend on the number of persons involved. A single civil case is counted and reported when:

1. A civil complaint or citation is filed (no matter how many parties are involved), or
2. An original petition is filed (no matter how many parties are involved).

CIVIL CASES

Cases involving all complaints, citations or suits within the civil or administrative jurisdiction of the municipal court, including red light camera, vehicle parking and stopping (*Transportation Code, Ch. 682*), dangerous dog, substandard building, water conservation, and abandoned motor vehicle cases, as well as any other cases involving the enforcement of health and safety and nuisance abatement ordinances. Also include bond forfeiture (*nisi*) proceedings conducted pursuant to Code of Criminal Procedure, Article 22.02.

At this time, the Civil Section of the report cannot adequately capture information on **truancy** cases. Judicial Council will be re-evaluating all information being collected from the trial courts on the monthly court activity reports in the future and reporting of additional information on truancy cases will be addressed at that time.

Line 1. CASES PENDING FIRST OF MONTH (*Sum of Lines 1a and 1b.*)

Report all civil or administrative cases previously filed in which a **judgment had not been entered** at the beginning of the month.

These figures should be the same as those reported for **Cases Pending End of Month** (Lines 14a and 14b) on the prior month's report. **If the number of cases pending at the first of the month does not equal the number of cases pending at the end of the previous month, a docket adjustment must be entered.** A *docket adjustment* is the difference between the number of cases pending at the end of the previous month and the number of cases pending at the beginning of the current month.

Example:

If the number of cases pending at the end of the month is **smaller** than the number pending at the beginning of the current month, enter a **positive** number in the appropriate blank. For example, if 825 civil cases were pending at the end of April but 830 were pending as of May 1, "5" ($825 + 5 = 830$) should be entered in the docket adjustment line under Civil Cases in the report for May.

If the number of cases pending at the end of the month is **larger** than the number pending at the beginning of the current month, enter a **negative** number in the appropriate blank. For example, if 900 civil cases were pending at the end of April but 890 were pending as of May 1, "-10" ($900 - 10 = 890$) should be entered in the docket adjustment line under Civil Cases in the report for May.

Note: OCA staff will calculate and enter the docket adjustment(s) for reports submitted on paper.

“Active cases” are cases awaiting entry of a judgment that the court can move to adjudication (entry of a judgment).

Line 1b. Inactive Cases

Report the number of cases in which a **judgment had not been entered** at the beginning of the month that had been classified as inactive (cases in which further court proceedings/activities could not continue).

(See Line 14—Placed on Inactive Status for definition of an inactive case.)

Examples include:

- Reinstated cases;
- Cases returned from arbitration;
- Cases in which a bankruptcy stay has been lifted; and
- Cases removed from abatement for any other reason.

***NOTE:** Reactivated cases are reported even if a judgment was also entered in the case during the month.*

Line 4. ALL OTHER CASES ADDED

Report the number of cases added to the docket in a manner other than the filing of a new, original case. Include cases in which:

- (1) a motion for new trial is granted in a case that had previously been reported as disposed of and
- (2) other similar matters which are not reported elsewhere.

Line 5. TOTAL CASES ON DOCKET

To calculate the **Total Cases on Docket**, add the active cases pending at the beginning of the month, new cases filed, other cases reaching docket, and reactivated cases.

$$\text{Lines 1a} + 2 + 3 + 4 = \text{Line 5}$$

DISPOSITIONS:

For purposes of this report, a disposition is reported when the case is adjudicated (the judge or hearing officer signs the final judgment). The date of disposition is the date the final judgment was signed.

Report the number of cases dismissed because the plaintiff or petitioner did not appear or otherwise made no effort to pursue his case.

Line 12. ALL OTHER DISPOSITIONS

Report any dispositions not clearly identifiable as any of the above categories.

Line 13. TOTAL CASES DISPOSED

Report the total number of cases disposed during the month. *Total Cases Disposed* equals the sum of Lines 6, 7, 8, 9, 10, 11 and 12.

Line 14. PLACED ON INACTIVE STATUS

Report the number of cases **in which a judgment had not been entered** that were placed in an inactive pending status because further court proceedings and activities could not continue.

This category includes, but is not limited to:

- Cases ordered to arbitration;

- Cases delayed due to the Soldiers' & Sailors' Civil Relief Act;
